What is a Salesian?"

(Editor's Note: During the 1985 Publications Drive, we overheard several students trying to figure out what the *Salesian* means. The closest translation we can come up with is "of de Sales", meaning that our yearbook is named in honor of the patron saint of our school, St. Francis de Sales. It then occurred to us that many MDS students might be unfamiliar with St. Francis de Sales. Perhaps this brief explanation will be illuminating.

- Steve and Angi)

St. Francis de Sales was born in 1567, shortly after the Lutheran Reformation had torn the religious fabric of medieval Europe. After being ordained to the priesthood, he worked diligently for the reunification of Catholics and Protestants. He became Bishop of Geneva, and began a life of pastoral devotion and writing.

His best - known written work, *The Introduction to the Devout Life*, provides a gentle portrait of Christian people helping to create "The City of God", each in his or her own way:

"When God the Creator made all things, he commanded the plants to bring forth fruit, each according to its own

kind; he has likewise commanded Christians who are the fruit of his Church, to bring forth the fruits of

devotion, each one in accord with his character, his station and his calling.

"Devotion must be practiced in different ways by the nobleman and the working man, by the servant and the prince, by the widow, by the unmarried girl and by the married woman. But even this distinction is not sufficient, for the practice of devotion must be adapted to the strength, to the occupation and to the duties of each one in particular.

"The bee collects honey from flowers in such a way as to do the least damage or destruction to them, and he leaves them whole, undamaged and fresh, just as he found them. True devotion does still better. Not only does it not injure any sort of calling or occupation, it even embellishes and enhances it.

"Moreover, just as every sort of gem, cast in honey, becomes brighter and more sparkling, each according to its color, so each person becomes more acceptable and fitting in his own vocation when he sets his vocation in the context of devotion. Through devotion your family cares become more peaceful . . . the service we owe to the prince becomes more faithful, and our work, no matter what it is, becomes more pleasant and agreeable.

"Therefore, in whatever situation we happen to be, we can and must aspire to the life of perfection."

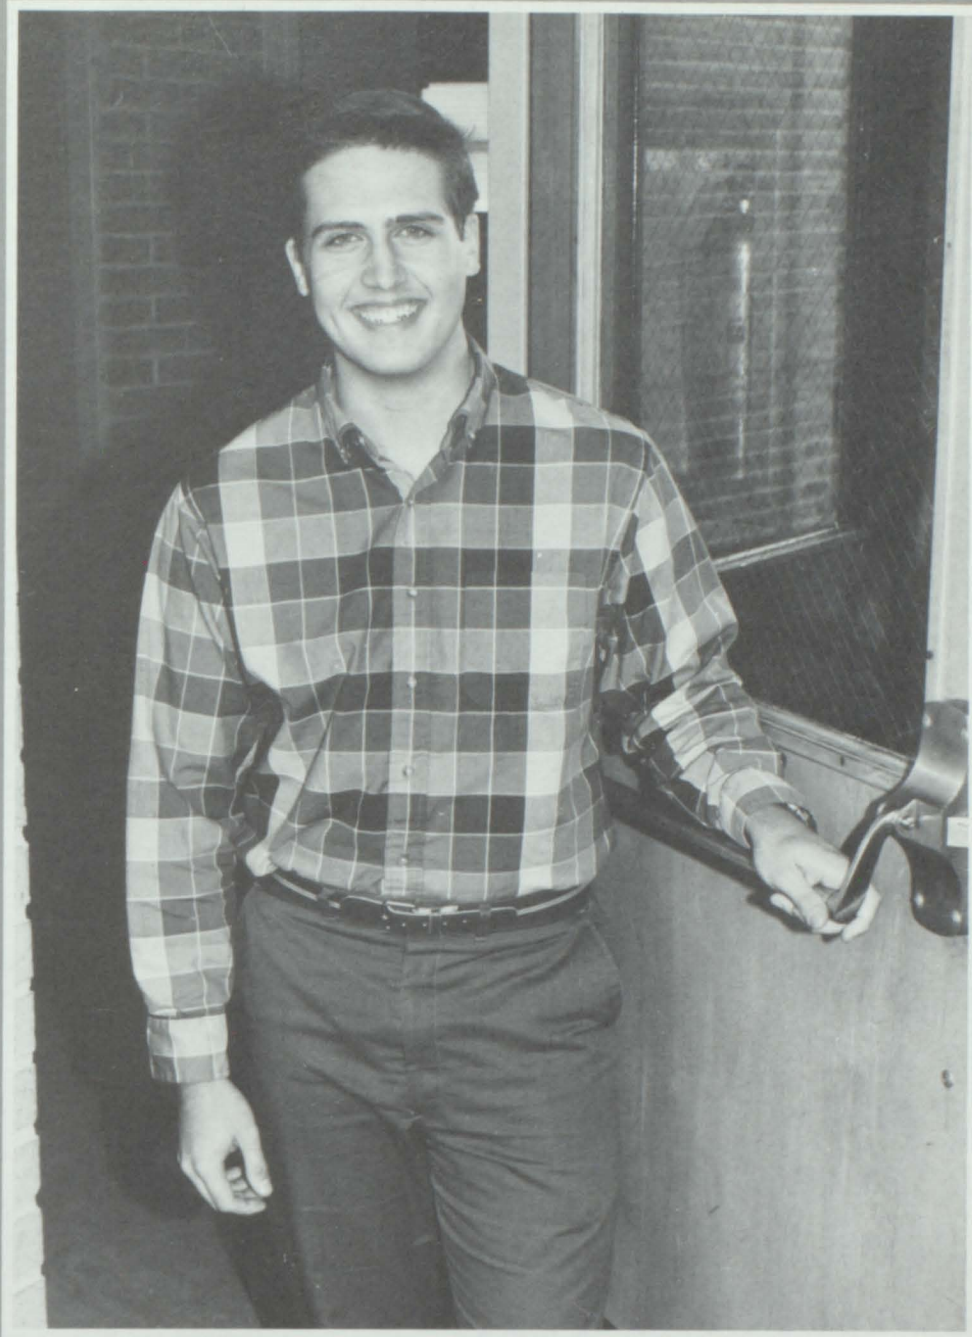

Challenges - I do not think that a more appropriate word could have been chosen as the theme for the 1986 *Salesian*. Every minute that has been spent on this book has presented its own unique challenge, whether it was trying to find the right picture to fit the right space (a task that's a lot harder than it might seem), or trying to think up the right caption that would make a good page great. Early in the year, the decision was made that no major changes would be made. The page design system (vertical dominant), type style, and general organization remain unchanged from previous years. The only style change involves picture captions. In order to make our captions look less cluttered, we have omitted the directions "left to right." All photo captions will read left to right, unless otherwise indicated.

I find it hard to believe that the last pages of this book are finally finished. It seems as if it was only yesterday that the Publications Drive began. Although there were many changes in the details of the Drive this year, every goal and every quota was not only met, but surpassed. The success of the Drive was due in no small part to the efforts of Wade Latham and the entire Business Staff. Wade *always* knew every little detail about every aspect of the Drive, from who was assigned to sell specific ads, to the name of the person in each class who has sold the most. No one could have asked for a better job.

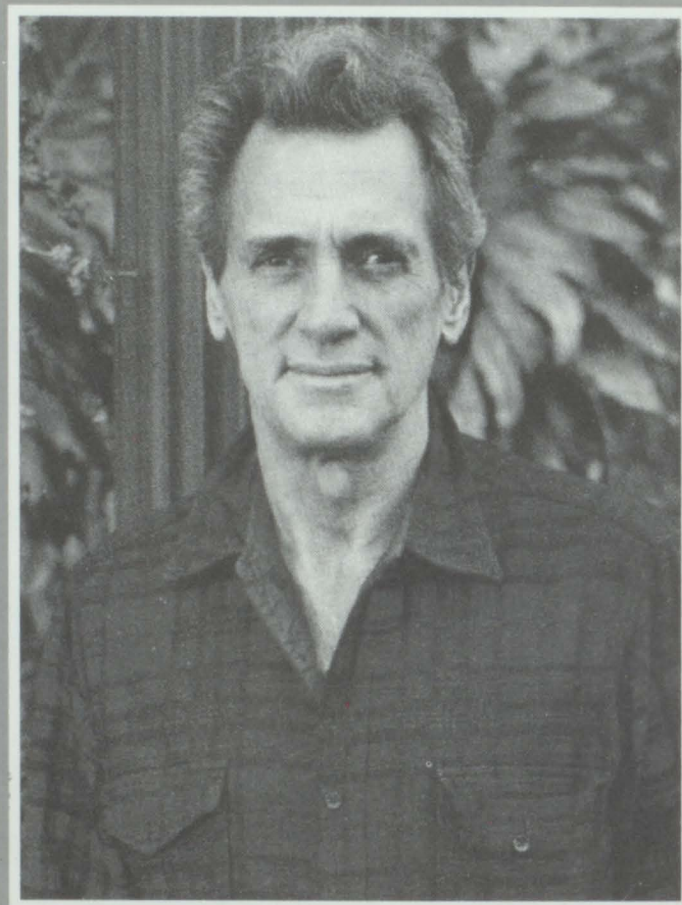

The hard decisions, the ones concerning the 192 pages in this book, were made with the help of an enthusiastic staff, an Associate Editor, Angi Richardson, who was a constant source of support and understanding, and a Publisher, Mr. Kevin Dockrell, who provided a never-ending source of ideas.

I hope that you, the student body, find this book to be a journal of the **challenges** we faced this year. I hope that we have communicated the essence of what this year has been. Perhaps it hasn't been too different from any other year, but it has been ours to experience, and I hope that this book helps you to appreciate how special being a Cavalier is; as special as being Managing Editor of the 1986 *Salesian*.

I hope you enjoy the results of our efforts on your behalf.

“Blessed are the peacemakers, for they shall be called the children of God.” (Matthew 5:9). Jesus has called each of us to be peacemakers; how do we answer his call?

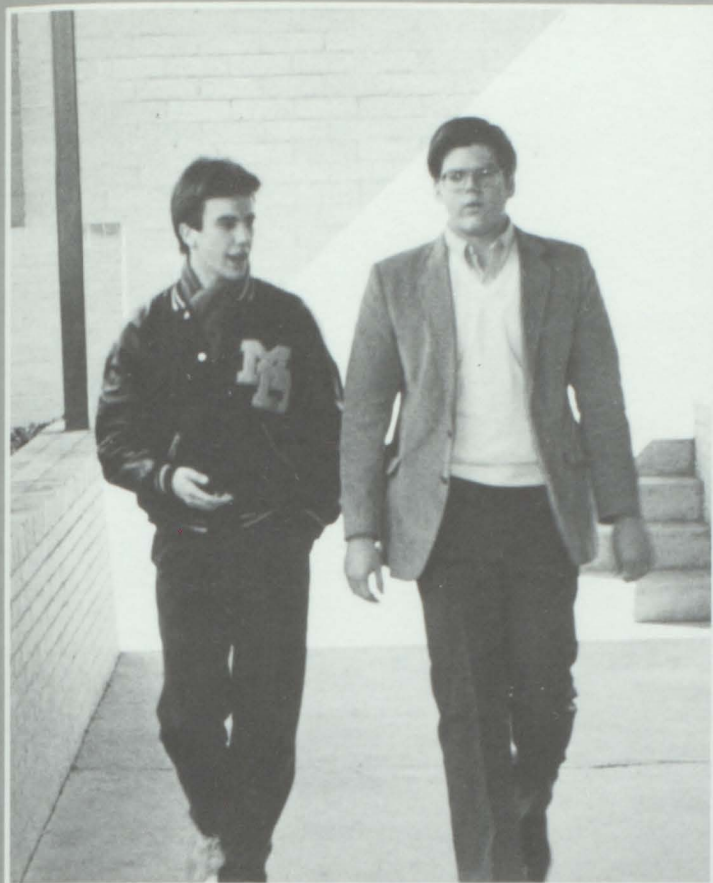

Do we go to Geneva and negotiate an arms control treaty with the Soviets? Do we go to the Middle East and mediate disputes between Arab and Jew? Do we go to Central America and work out a settlement between the Sandanistas and the *contras*? Certainly these are major problem areas where peacemaking is needed, but reality and order demand that only a few people lend their peacemaking efforts.

This year, through the efforts of the Religion Department, we have begun to learn how to be peacemakers. Let us remember the words of Christ: “Peace I leave you, my peace I give you;” let us resolve to be peacemakers.

Mrs. Kathleen Tomey led us in song at all of our liturgies this year.

Senior Superlatives

Michael Dunaway and David Bothe each received a Letter of Commendation from the National Merit Scholarship Corporation.

Grace Palazzolo (right) earned the STAR Student for MDS this year with the highest SAT score in the Class of 1986. She chose Mrs. Jackie Fry (left) as her STAR Teacher.

These five MDS Seniors were chosen as Seniors of the Month (front to rear): Brigitte Vincent (February), Sherry Williams (November), Terena Jolley (January), Pepe Shiflett (March), Steve Lott (December).

Audra Howard received special recognition for Academic excellence from the National Achievement Association; Carmen Lee won similar honors from the National Hispanic Scholar Awards Program.

Development - Meeting the Challenges of the Future

The Mt. de Sales Development Program continues to grow, ensuring the financial stability of our school, and helping to guarantee that this school, now in its second century of service, will continue to be a force of goodwill in the middle part of Georgia.

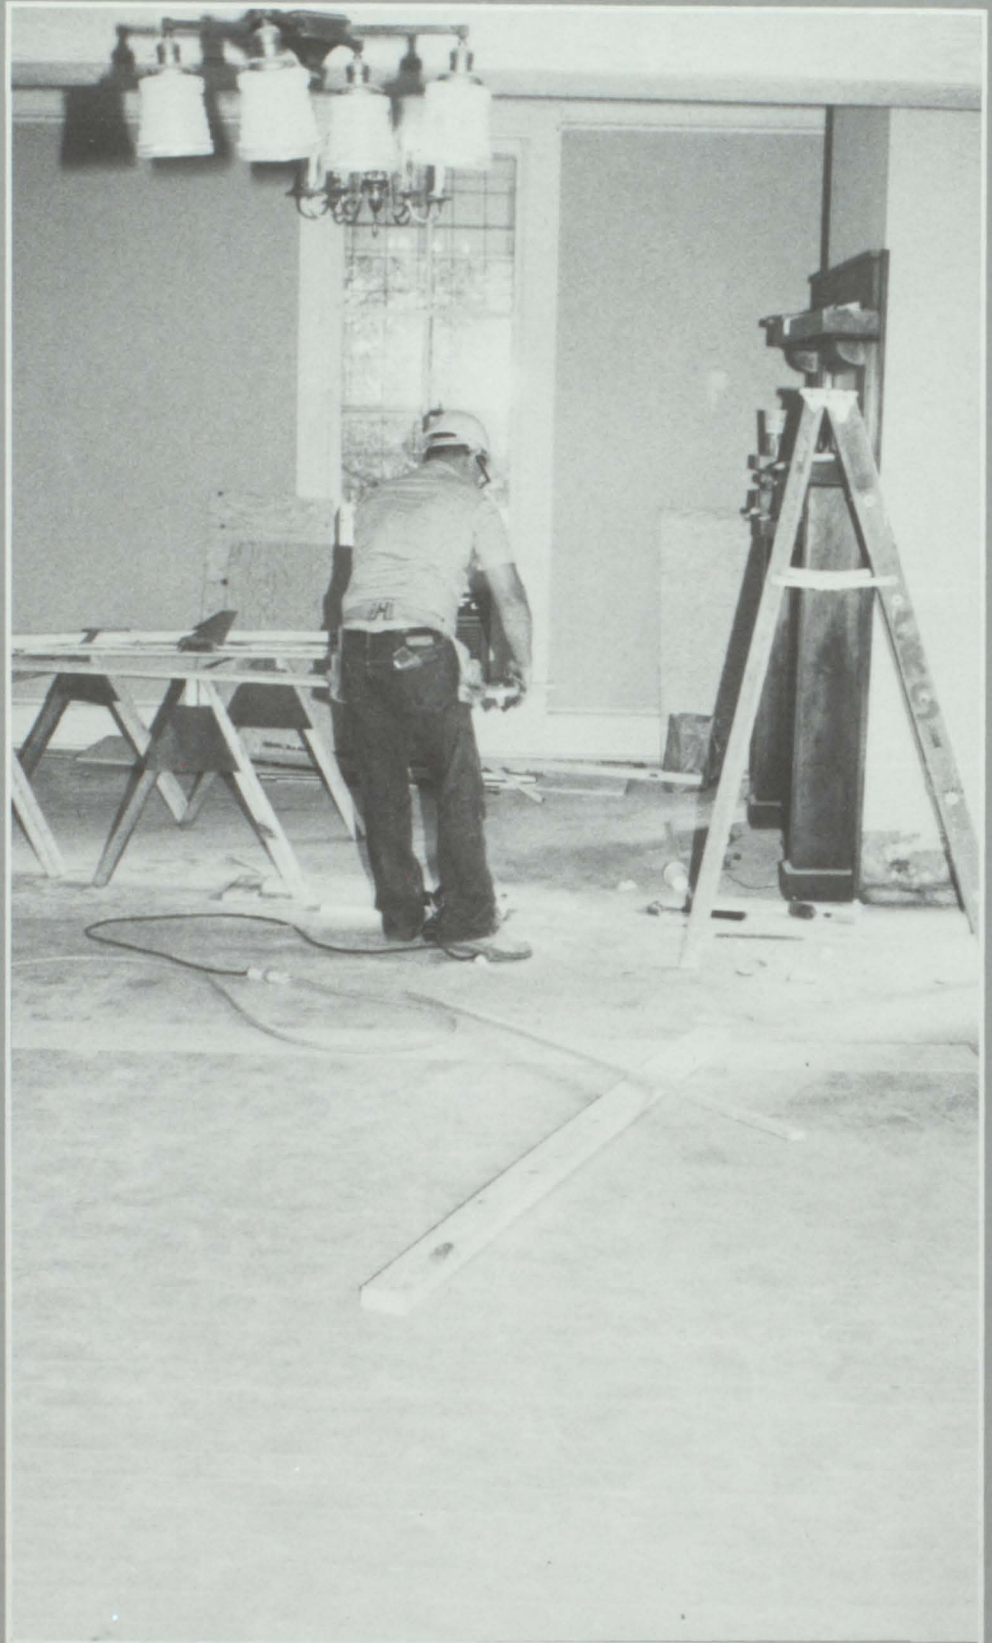

Two notable developments within the past year; the first alumni phonathon was held in March 1985, and resulted in a significant increase in alumni contributions to the Development Program. The phonathon was organized by Mr. Michael Vullo, '71, and Coach Tony Pierce '69; it took place over five consecutive nights and was made possible through the efforts of Mr. Jack Ballard and Trust Company Bank, who provided office space for the effort.

Our first full-time Alumni Office was opened this year, under the direction of Mr. Michael Vullo. Mr. Vullo coordinated several events this year, including a reunion of the Class of 1960, our first-ever Grandparents' Day, and the second alumni phonathon, which was held in the spring.

The success of the Development Program is due in large part to the generosity of MDS alumnae and alumni, parents, and friends of our school.

Even greater participation in these efforts can only mean a more secure future for Mount de Sales.

Won't you join the Annual Giving Campaign?

The purchase and renovation of Hamlet Hall in 1984 provided much-needed classroom space and a place for Seniors to call their own.

⇒ The Class of 1986 includes 7 students whose parent or parents graduated from MDS. Seated: Robert Wright, Brian Cassidy, Robert Sanders. Standing: Chrissy Erickson, Sally McAfee, Angi Richardson, Adrian Jelks.

⇒ In the past two years, McAuley Hall has been almost completely renovated. A new gym floor was installed in the summer of 84, and when we returned to school last August, we found a new coat of paint, and a beautiful set of theatrical curtains. All of these improvements are tangible evidence that our Development Program is working.

Friends and Neighbors

The priests of the Macon/Warner Robins area concelebrated at the Mass of the Holy Spirit, the traditional beginning of the school year. Pictured here are Father John Kenneally, Pastor of Holy Spirit Church, Father Mike Reverse of St. Joseph's, and Monsignor Marvin LeFrois and Father Bob Cushing of Sacred Heart.

Reverend Joe McDaniel, Associate Pastor of Mabel White Baptist Church, spoke to the student body in October. Reverend McDaniel's daughter, Krista, is a member of our eighth grade class.

In January, Father William Byron, President of The Catholic University of America, visited Mount de Sales and spoke to both the student body and their parents. Here he is pictured with MDS Principal Sister Mary Fidelis, and two long-time friends and benefactors of our school, Mr. and Mrs. Chris R. Sheridan.

Grandparents' Day

Charlie Weston of the Class of 1990 is pictured with his paternal grandmother, Mrs. Ruth Weston (standing at left) and his maternal grandparents, Dr. and Mrs. Edwin Johnston.

The first-ever Mount de Sales Grandparents' Day was held in December, 1985, as the grandparents of the 50 members of the Class of 1990 were invited to the MDS campus for a program of song and entertainment, and a chance to meet the faculty, administration and other grandparents.

Mr. Michael Vullo of the Alumni Office organized the event, at which Sister Fidelis gave a brief oral history of our school and introduced members of the faculty to the grandparents. It was a successful beginning to a new kind of gathering of the MDS family.

Grandparents' Day began with vocal greeting from the 50 members of the Class of 1990.

Dear Seniors:

1968 - the year many of you were born - was the year that I returned to Macon as a teacher. The MDS I remembered from my high school days was quite different from the campus of the late sixties! No longer was de Sales an all - white, all - girls school with an all religious faculty. Somewhere during the years of my absence, someone with great wisdom had met the challenge to change to a co - ed, racially mixed student body, with lay men and women teaching side by side with the sisters. (Those first lay teachers must have had tremendous challenges to gain the respect and professional acceptance of both students and parents!) How truly blessed we all are because of the foresight and courage of those who struggled with the problems of the sixties and seventies!

Now, 1986 - the year of the 110th graduating class of Mt. de Sales! You, too, have seen and met some significant challenges. During these past four years, I have particularly noticed the changes in the dress code. (You coped with the "ins" and "outs" of the tailored look with great aplomb.) And, you got to class on time without the aid of bells, and to Hamlet Hall in spite of the rain and the mismatched stepping stones! You mastered the computer language; began a varsity soccer team, won the first girls' state championship in softball; revived the debate team; eliminated the need for "pink slips"; started a Pep Club and Band; and, "... since brevity is the soul of wit, I will be brief!" (I am not sure that you mastered Shakespeare, but you did give it a good try!) The list could go on and on. *The challenges were there and you met them.*

Now is the time for you to get "back to the future." During these school years, even though you are the NOW generation, you have been living in the past. Your history classes, no matter how contemporary; your literature courses, no matter how modern; your math and science curriculum, no matter how new — are always old. By the time you come to study even the most recent subjects which education can offer, they are already dated. So, you must quickly get *BACK TO THE FUTURE* — get on with your lives. Yet, in a very real sense, "... we are a part of all that we have met." (Tennyson) The friends, the faculty, the "Happy Days," the fun nights, are all a part of our past now, the past which we can remember together.

MDS can say of you, as we can say to one another: "I will not forget you ... I have carved you on the palm of my hand." (Isaiah 49:15) MDS was given, and it met a challenge of the past; the Class of 1986 has met their challenges of the present; all of us must meet and conquer the challenges that lie ahead in the future. The ultimate test of how successful we all are in the great challenge called life will come in the far, far distant future. St. Augustine once said, "O Beauty even ancient, ever new ... Our hearts are ever restless until they rest in You." So, be determined to meet the challenges life may bring to each of you with the same enthusiasm, the same faith, hope and love that you exhibited here at MDS. You are special, and you are loved!

Challenges face us throughout our lives. They motivate us to excellence; they stimulate us to overcome; they enable us to grow. They are an integral part of our existence. Without them, we would remain constant, doomed to a life of stagnation.

In my personal experience at Mt. de Sales, I have been constantly challenged - by the society from which I come, by the circumstances of my days here, and especially by these faculty members. By being challenged in this traditional environment, I know that I have become more prepared for the challenges I will face on my own. Indeed, I have been challenged in many ways.

I have been intellectually challenged. My teachers have led me to examine my own way of thinking, to strengthen my grasp of history and mathematics, to learn how to express myself. They have shown me great people - Descartes, Shakespeare, Lincoln, Christ - and their gifts to posterity, and have asked me to analyze those gifts and their meaning to me.

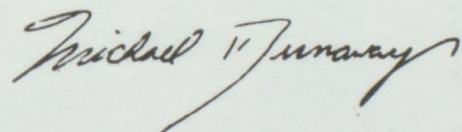

I have been physically challenged. Through P.E., intramurals, and participation in a varsity sport, I have kept myself healthy and fit.

I have been emotionally challenged. How many of us have not felt the sting of a crucial football defeat, the pride of singing the alma mater, or the aching emptiness of a relationship gone sour! MDS has provided me with a refuge from the troubles and worries of being a teenager, through the kindness and interest of teachers and the constant presence of God on campus.

I have been spiritually challenged. I have come to know the power and beauty of the Catholic church. I have found comfort in the Mass; it has helped me to strengthen my religious beliefs.

I have been challenged in all these ways, and many more. Now comes the greatest challenge of all - the challenge of life itself - and in facing that challenge all of us will appreciate the gifts of these men and women who have taught us and helped to form us. As a class, we have faced all of these challenges together, and that common experience has left us confident, for we know that we have been well prepared. Throughout the rest of our lives, we will carry Mount de Sales' gift to us.

And we will succeed.

Debate - The Epitome of Excellence

The MDS Debate Team, pictured in the library shortly before their trip to Harvard's National Debate Tournament (seated): Paige Anderson, Alan Taylor, Kelly Hamlin, Mary Catherine Johnson, Joyce Balcos, Tina Valdecanas, David Bothe, Doris Lee. Standing: Abbey Mullaney, Donald Bush, Michael Dunaway, Mrs. Sandra Tate (Moderator), Ken Herring, Alex Smith, Greta Bohannon.

The 1985-86 Mt. de Sales Debate Team continued the tradition of excellence begun in previous years and culminated this year with an invitation to the prestigious National Debate Tournament at Harvard University in Cambridge, Massachusetts.

The Cavalier debaters won the first-place trophy at the Region tournament, finishing first in the both affirmative (Kelly Hamlin and Alan Taylor) and the negative (David Bothe and Michael Dunaway).

At the Wiregrass SEAIS Tournament in November, both varsity and novice debaters competed, and brought home several awards, both team and individual. On the varsity level, Kelly Hamlin and Tina Valdecanas were the first place affirmative team, and Michael Dunaway and Alan Taylor were the second place negative team. Alan Taylor was the First Place Speaker, and David Bothe was the Fifth Place Speaker.

Novice debaters Joyce Balcos and Doris Lee were the 3rd place affirmative team, and Paige Anderson and Mary Catherine Johnson were the 4th place affirmative team. Donald Bush was the 5th place speaker.

The season reached its peak when the Cavalier debaters accepted an invitation to participate in Harvard University's national debate tournament. With several hundred debaters present from all over the nation, our debaters were competitive and acquitted themselves well.

It was a season we'll all long remember.

(above) Alan Taylor presented Mrs. Sandra Tate with a special trophy thanking her for her expertise and support in making the 1985-86 debate season a tremendous success.

Editorial Writers: Carmen Lee and Michael Dunaway.

This is the 31st annual edition of the *Salesian*, Mt. de Sales High School's year-book.

The cover utilizes an electronic "sweep" overprinted on a navy blue base. The graphic on the cover was hand-drawn by Wade Latham from a photographic lithograph by Mr. Bill Meriwether III, the *Salesian's* official photographer.

The printing process utilizes an ink-jet for clarity and precision. An improved sewing process binds the pages more permanently, and the cover once again includes a special liquid plastic coating to protect against scratches and discoloration.

The *Salesian* was printed and assembled by Walsworth Publishing Company of Marceline, Missouri.

Athletics

Softball - A Season to Remember

1985 SEAIS - AAA State Softball Champions (kneeling): Head Coach Chester Pierce, Polly Roe, LeAnn Hardison, Lea Dunaway, Laura Plunkett, Sherry Williams, Tavie North, Manager Regina Ridley, Statistician Paige Blount, Manager Jolie Gray, Standing: Amy Johnson, Mary Catherine Johnson, Donna Mahoney, Amanda Hubby, Amy Gordon, Shannon Baker, Christy Gaspar, Kim McDaniel, April Jones, Brande Burgess, Tammy Herndon, Assistant Coach Joe McGhee, Jennifer Garris.

Form, determination, concentration: elements of a championship season.

The 1985 Lady Cavaliers accomplished two feats that no Mount de Sales athletic team had ever achieved. They won our first state championship since we joined the SEAIS in the 1980 - 1981 season, and more importantly, they won *the first girls state title in any sport in our history.*

Our girls steamrolled through the regular season, and swept through the region tournament, earning a trip to the state championship tournament in Tifton. The Lady Cavaliers had come home disappointed from that tournament in the past, but not in 1985. With the enthusiastic support of parents and friends who had followed them all season, they defeated St. Vincent's of Savannah 15 - 4 to earn the State Championship.

They were an exuberant and talented group who gave us a season we'll all remember.

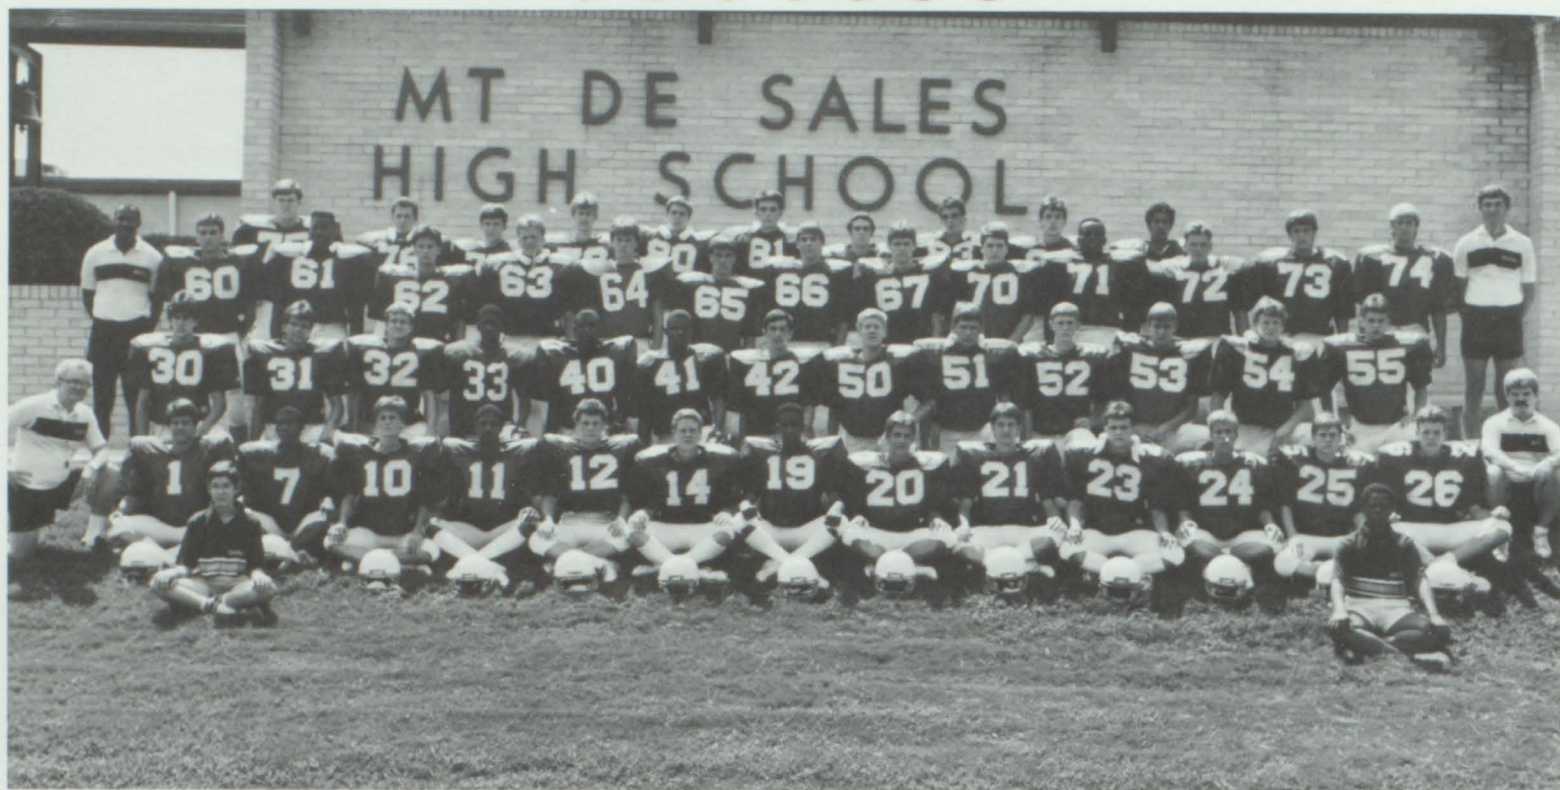

1 Sherry Williams won All-Region and All-State honors for the second consecutive year.

2 Brande Burgess's defensive excellence at shortstop solidified the Lady Cavaliers in the field.

3 As the Lady Cavaliers dominated on the field, so they dominated the All-Region 3-AAA Team, placing nine players on the squad. Bottom row: Sherry Williams, Laura Plunkett, Donna Mahoney. Middle row: Polly Roe, April Jones, Brande Burgess. Top row: Kim McDaniel, Christy Gaspar, Tavia North. All-State honors were won by Sherry, Brande, Laura and Kim; Head Coach Chester Pierce was selected as Coach of the Year.

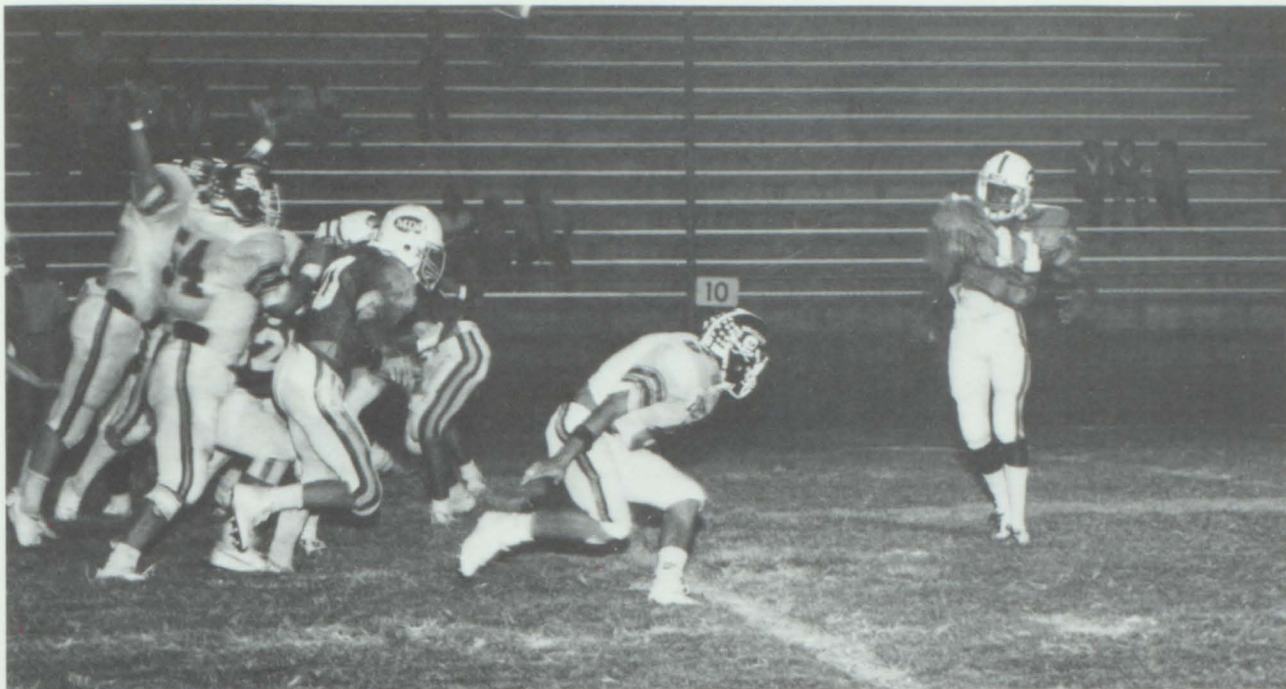

Football - Challenges and Success

1985 Region 3-AAA Champions (bottom row): Head Coach Mike Garvin, Chris Sutton, Kinman Smith, Alex Smith, Brad Scott, Richard Webb, Rob Garvin, Victor Huff, Jeff Jennings, Jim McLendon, Mark Freville, Jerry Jennings, Michael Clark, Matt Garvin, Assistant Coach Tony Pierce. Middle row: Joey McHugh, Stan Stanley, Jeff McCallie, Darrell Walker, Yauun Pounds, Chuckie Stinson, Joe Hull, Ken Garvin, Scott Giffin, Ed Hatcher, Matt Gilbert, Candler Boyd, Scott Genone. Top row: Assistant Coach Robert Slocum, Sean Regan, Jack Moore, Chris Blue, Robert Sanders, Bryant Stokes, Bobby Currey, Mark Hughes, Andy Dopson, Derrick Poland, John Hannon, Tommy Union, David Musolf, Chuck Tidwell, Brent Worley, Bill Hull, Scott Patman, Mark Rowland, Thaddus Anderson, Jason Boyd, Michael O'Shaughnessy, Chris McCallum, John Critchfield, Assistant Coach Randy Davis. Managers, seated at front, Jim Beall, Ivan Allen.

(above) Quarterback Brad Scott enjoyed good protection while throwing this pass against Southland;

(right) The Cavaliers' swarming defense made its presence felt all season;

(below) MDS threw often and effectively in the region championship game against Westfield.

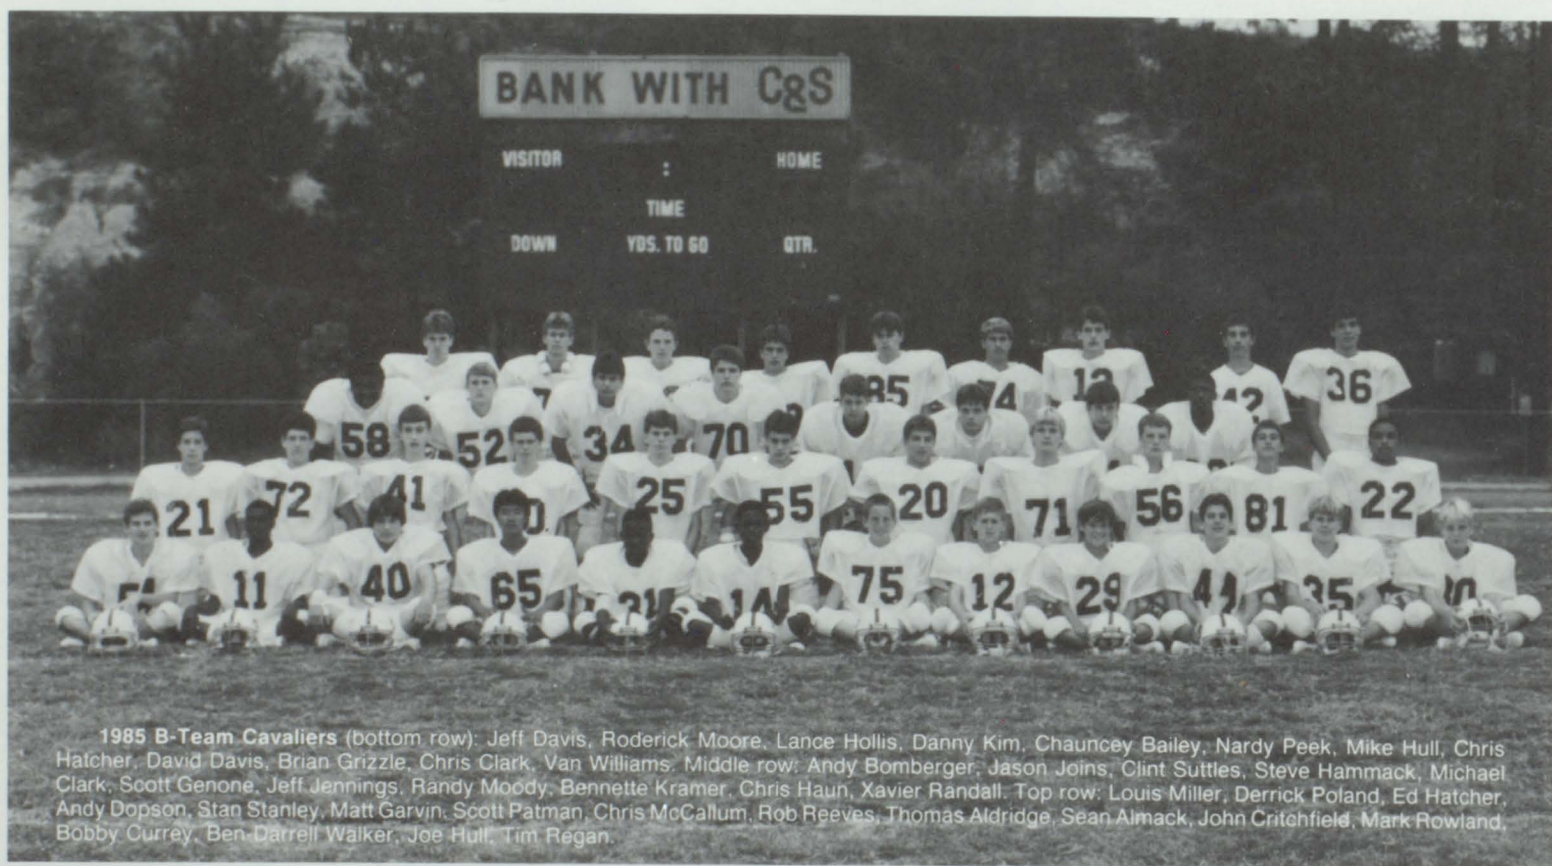

In many ways, the 1985 football season was reminiscent of recent seasons. Our boys won the region championship and advanced into the state playoffs, only to lose a heartbreaker; there was a victory over one big cross-town rival, and a loss to another; there was an embarrassing loss early in the season, and a near-perfect performance when the region championship was on the line.

The rivals may have been the same, and we still played our home games at Henderson Stadium, and our coaching staff was still the same. But beyond the similarities to previous seasons, there were enough singular moments to ensure that the 1985 season will be remembered by those who witnessed it and those who participated. The Pep Band in the stands; the greater numbers on the field; the first TV broadcasts in our history - all of these were landmarks in a season of challenges and successes.

These 6 Cavaliers were named to the All-Region Team (seated); Jeff McCallie and Mark Freville. Standing: Chris Blue, Robert Sanders, Thaddus Anderson, and Bill Hull.

1985 B-Team Cavaliers (bottom row): Jeff Davis, Roderick Moore, Lance Hollis, Danny Kim, Chauncey Bailey, Nardy Peek, Mike Hull, Chris Hatcher, David Davis, Brian Grizzle, Chris Clark, Van Williams. Middle row: Andy Bomberger, Jason Joins, Clint Suttles, Steve Hammack, Michael Clark, Scott Genone, Jeff Jennings, Randy Moody, Bennette Kramer, Chris Haun, Xavier Randall. Top row: Louis Miller, Derrick Poland, Ed Hatcher, Andy Dopson, Stan Stanley, Matt Garvin, Scott Patman, Chris McCallum, Rob Reeves, Thomas Aldridge, Sean Almack, John Critchfield, Mark Rowland, Bobby Currey, Ben Darrell Walker, Joe Hull, Tim Regan.

Soccer - New Challenges,

1985 Varsity Soccer Team (kneeling): Brian Rubin, Zach Sikes, Daniel Norman, Joe Union, Andy Pischke, Vince Dattilo, Greg Brooking, Olu Haynes, Doug Bush, Chris Hughes. Standing: Kathy Wright (Manager), Assistant Coach Gary Musolf, Theresa Moss, Marcus Durham, Keith Bouse, Mark Sells, Todd Kelleher, Byron Prickett, Head Coach John Dattillo, Robert Wright, Richard Saunders, Shaun Shearer, Clay Wright, Michael Dunaway, Michael Musolf, Assistant Coach Dr. Bob Wright, Marshea Freant.

New Excitement

Left fullback Richard Saunders controls the action.

The fall sports season for 1985 featured the first varsity soccer team in Mount de Sales history. MDS has always had excellent soccer players in its student body, but this year for the first time, they were afforded the opportunity of competing for their school.

The team began workouts in late summer under the leadership of a fine group of volunteer coaches, headed by John Dattillo, and entered the season in September. They finished with an 8-4 record, and advanced to the state championship tournament on Jekyll Island, finishing third overall. It was an outstanding achievement for a first year team, and with a nucleus of fine underclassmen returning, the future of MDS soccer is very bright!

These six MDS soccer players were chosen for the All-Star Team: Robert Wright, Mark Sells, Andy Pischke, Vince Dattillo, Keith Rouse, and Byron Prickett.

Keith Rouse takes an indirect free kick.

Shaun Shearer closes in on an opposing goalkeeper.

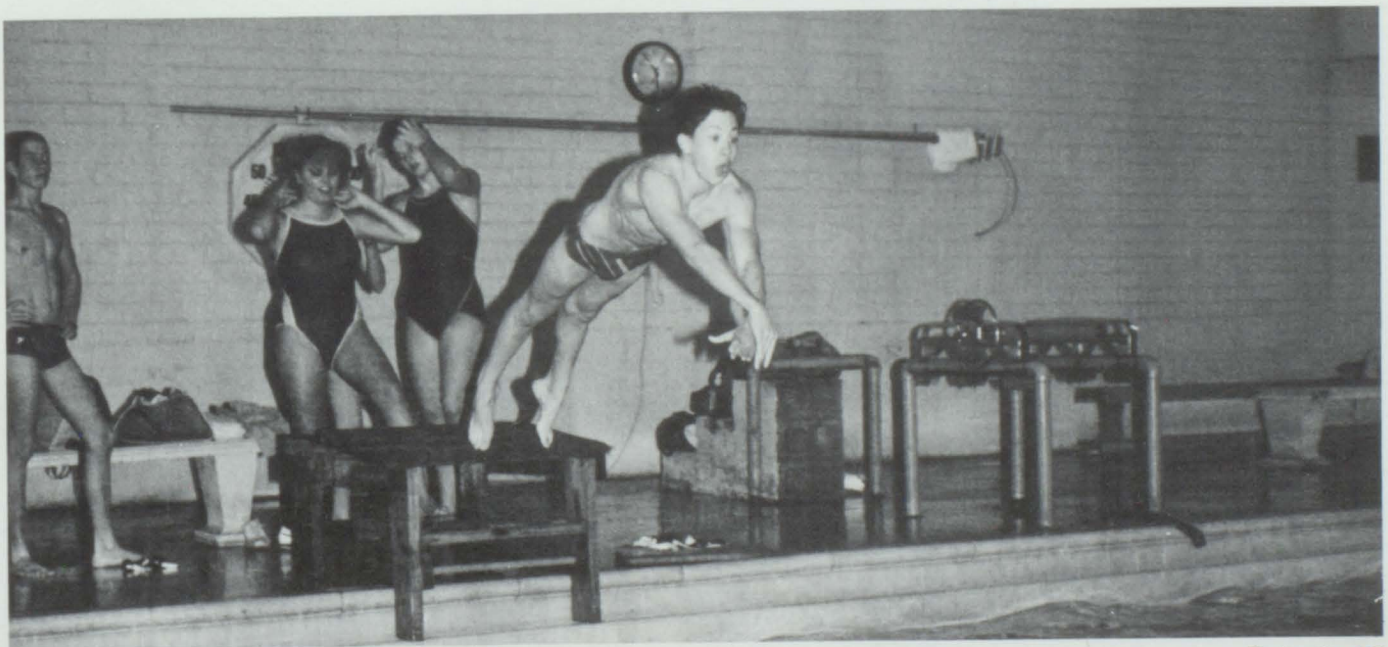

Michael Musolf gains possession.

One of the prettiest sights in sports: Robert Wright dribbles in the open field.

Members of the Middle Georgia Aquatics Swim Team, who earn MDS letters for their participation in this demanding sport (seated): Kelly McDougal, Laura Anderson, Libby Aldridge. Standing: Shannon McDougal, Danny Roets.

Boys Basketball - Meeting the Challenge

1985-86 Region 3-AAA Champions (kneeling): Rob Garvin, Chuckie Tidwell, Yauun Pounds, Brad Scott, Jon Halvorsen, Jim Lamarca, Jason Boyd. Standing: Donna Mahoney (Manager), David Prati, Chris Blue, Troy Edwards, Cliff Pool, Dale Sheffield, Colin Brown, Wade Latham, Kelly Cassidy (Manager).

Troy Edwards hit this turnaround baseline jumper in an early-season victory over Windsor.

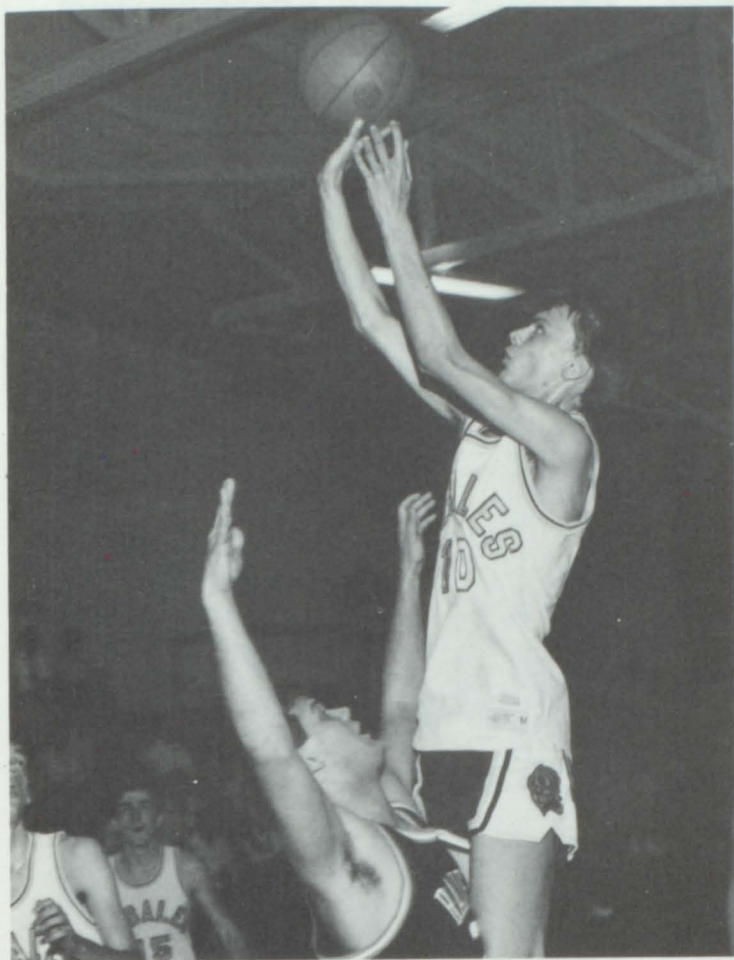

98 Boys Basketball

Our boys basketball team began the season with a lot of unanswered questions. Gone were the seven key players who led the Cavaliers to the state championship game in 1984-85. If the Cavs were to be successful, it would be a challenge. The challenge was met and mastered, as MDS won the Region Championship and appeared in the state tournament for the 5th consecutive year.

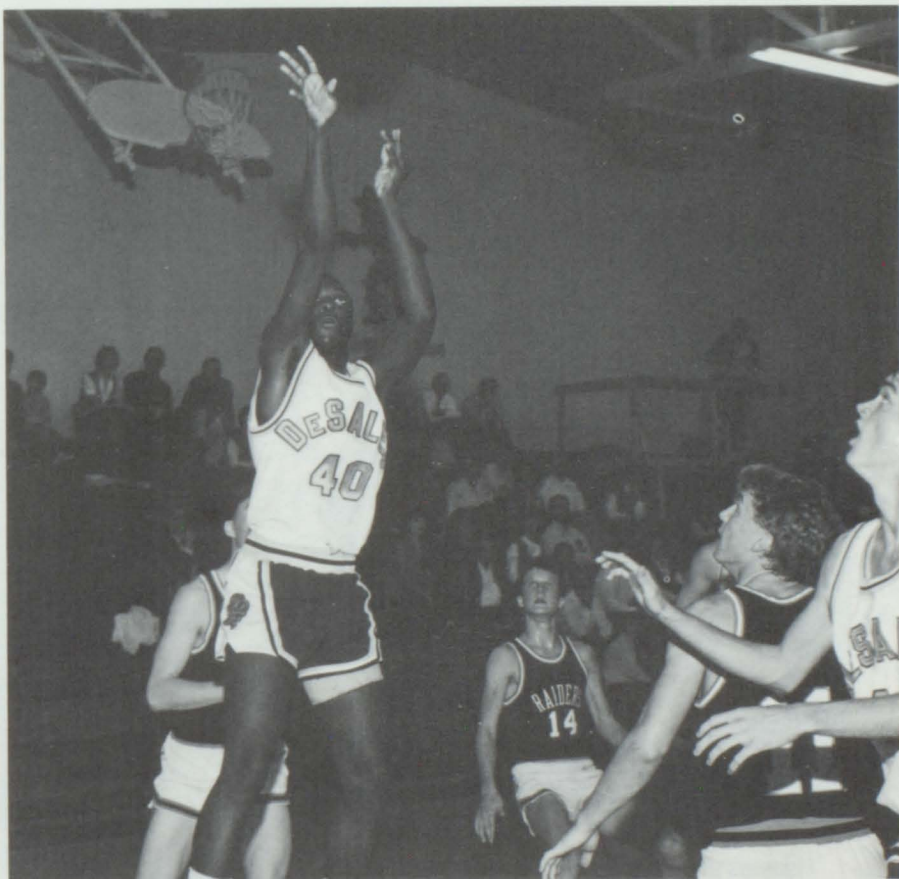

It was an odd year in many ways. The Cavaliers had not lost at home in two years, but this year lost twice at home, to Flint River and to Westfield. For the first time in many years, MDS was not a solid favorite to win the region tournament.

This year the region tournament was held at McAuley Hall, and the Cavalier "ponies" ran like thoroughbreds, avenging an earlier loss to Flint River, and then administering a thorough defeat to Westfield, 75-57.

The team is young, talented, and now, experienced. Youth was served.

(above left) With perfect form like this, David Prati led the Cavaliers in scoring and was chosen for the All-Region team; (above right) Colin Brown, breaking up a pass against Windsor, was also chosen for the All-Region team; (right) Yauun Pounds, who by season's end was the Cavalier's starting point guard, completed the trio of MDS players who earned All-Region honors.

The Cavaliers' 1-3-1 trap defense forced Westfield into more than a dozen turnovers in the region championship game.

Kinman Smith goes back up with an offensive rebound in a B-Team game against First Presbyterian.

1985-86 Boys B-Team (kneeling): Eric Grisham, Andy Bomberger, Mike Simmons, Grant Gibson, Kinman Smith, Chad Brown, John Fry. Standing: Betsy Lewis (Manager), Jason Smaha, Mark Hughes, George Cleveland, Tim Regan, Thomas Aldridge, Chuckie Stinson, Belinda Deas (Manager).

Girls Basketball — A Goal Achieved

(Above) 1985-86 Lady Cavaliers (seated): Kelly Grovenstein (Manager), Jennifer Pace, Polly Roe, Amanda Hubby, Audrey Rowell, Kim McDaniel, Fiona Duncan (Manager). Standing: Leann Hardison, Chanda Fowler, Jolie Gray, Sherry Williams, Tavie North, Kathy Rogers, Lea Dunaway. (Left) Amanda Hubby, shown here against Stratford, provided consistent scoring and rebounding for the Lady Cavaliers in 1985-86.

(left) Audrey Rowell takes the baseline jumper as a Lady Eagle hits the deck: Lea Dunaway scores on the fast break as Tavia North positions herself for a possible rebound; (below) Chanda Fowler applies good defensive pressure under the basket.

The 1985-86 Lady Cavaliers set a goal for themselves at the start of the season - a winning record - and with a final season record of 14-12, that goal was achieved.

The team was dominated by seniors, many of whom had been varsity players since their sophomore seasons, and their experience and their familiarity with the coaching style of Sr. Pat Coward was reflected in the quality of their play. It wasn't only that our girls won more games, it was the way those games were won that brought such excitement to players and fans alike.

The season's high point was a 59-57 victory over two-time state champion Monroe, in their gym.

Sherry Williams and Chanda Fowler made the All-Region team.

Dana Axman scores in a B-team game against FPD.

1985-86 Girls B-Team (kneeling): Joanne Mathias, Dana Axman, Chanda Williams, Monda Wilson, Kathy Wright, Kappi Brown, Lynita Jackson. Standing: Lisa Ennis (Manager), Jeanne Mathias, Prissy Gallegos, Kim Howard, Pam Prindible, Jennifer Lipson, Joy Lee, Amy Johnson, Kelly Cassidy (Manager).

Baseball '85 - A Fourth

1985 Region 3-AAA Champions: Head Coach Chester Pierce, Marc Tingle, Tim Tippet, Grant Gibson, Chad Brown, Dale Sheffield, Brian Frankum '85, Bryant Stokes, Cliff Pool, Gregg Fitzgibbons '85, Mark Sells, Robbie Chambless '85, Michael Garvin '85, Jon Halvorsen, Michael Kitchens, Chris Kinnas '85, Assistant Coach Tony Pierce.

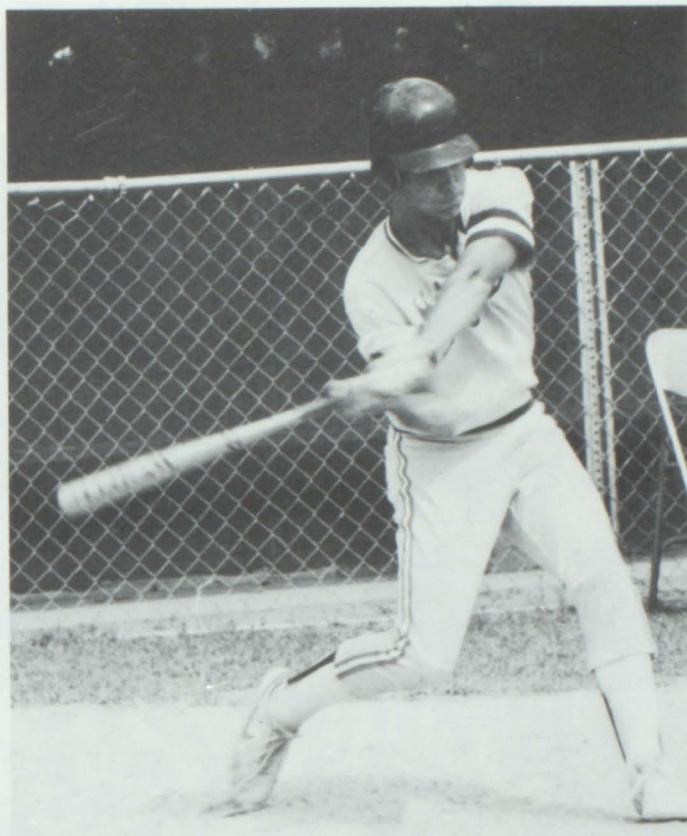

Jon Halvorsen, only a freshman in '85, was a dominating pitcher, finishing with an 8-1 record, and earning All-Region honors.

Consecutive Region Title

Tim Tippet sprints for third base as the throw comes in from the outfield.

Sean Regan drove this pitch for a triple in a B-Team doubleheader sweep of John Milledge.

1985 B-Team Cavaliers (kneeling): Thomas Aldridge, Scott Patman, John Fry, Mike Simmons, Andy Bomberger, Scott Shipp, Eric Grisham. Standing: Brent Worley, Brent Lanford, Ed Hatcher, Kenneth Holloway, Todd Stuart, Sean Regan, Tim Regan, Jim Lamarca.

Track and Field - Another State Championship!

1985 Boys Track and Field State Champions (seated): Reggie Starke, Doug Bush, Michael Clark, Jeff Jennings, Tommy Union, Vince Dattillo, Kinman Smith, Jerry Jennings. Kneeling: Stephen Bleymaier, Jay Michael, Ben Walker, Marcus Durham, David Musolf, Jason Boyd. Standing: Rachel Brown (Manager), George Cleveland, Mark Hughes, Brian Rubin, Reggie Cummings, Victor Huff, Chris Blue, Robert Wright, John Hannon, Marshea Freant (Manager).

Although it may have faded from memory somewhat, the 1985 boys track and field team won the state championship in a totally dominating fashion.

The Cavaliers won all of their individual meets, won both the John Milledge and Brentwood relays, and won the region and state championships, far outdistancing the second place teams.

Seven new school records were set during the 1985 season:

Event	Record
220-Yard Dash	22.0/Michael Taylor '85
Shotput	49'53-4"/Chris Blue
Discus	142'11½"/Patrick Nuttal '85
Long Jump	21'9½"/John Griffin '85
Triple Jump	44'4"/Todd Tidwell '85
120-Yard Hurdles	17.4/Kevin Winn '85
Sprint Medley Relay	1:37.8/Felix Middlebrooks '85
	Michael Taylor '85
	John Griffin '85
	Kinman Smith

Girls Track and Field - Making Strides

The 1985 girls track and field team did not enjoy the spectacular success of their male counterparts, but they were competitive and showed great progress as the season progressed.

The girls finished fourth in the region, with several competitive performances at the region championship meet.

Tipa Jackson won the region championship in the 220-yard dash, and finished third in the state.

Perhaps most encouraging about the 1985 season was the increased number of girls who participated.

New school records were set in three events:

Event	Record
Mile Run	5:59.8/Joannie Bounds
Discus	87'11½"/Christy Gaspar
Long Jump	15'9"/Racquel Stinson

1985 Girls Track and Field Team (seated): Dee Patman, Shannon Baker, Racquel Stinson, Wendy Jackson, Regina Ridley. Kneeling: Tipa Jackson, April Cagle, Holly Hallin, Wendy Churchwell, Kathy Wright, Donna Mahoney, Kelly Hamlin (Manager). Standing: Kim Person (Manager), Paige Jones, Jeannie Bounds, Joannie Bounds, April Wilson, Susan Weigand, Kim Parker, Christy Gaspar, Tavia North, Lea Dunaway.

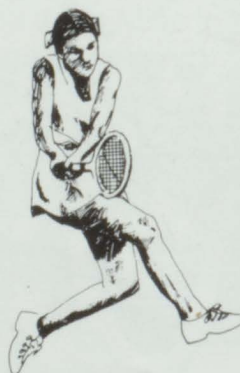

Tennis - Continuing the Winning Tradition

1985 Varsity Tennis Teams (kneeling): Robert Lockwood, Travis Boyd, Ky Phansavath. Standing: Keith Rouse, Sally McAfee, Doris Lee, Abbey Mullaney, Craig Crawford.

The Cavalier tennis teams continued their winning ways in 1985, especially our girls. They won the region championship, and were paced by Doris Lee, who won the region and state singles championships and was chosen as the All-Middle Georgia Tennis Player of the Year by the *Macon Telegraph and News*.

Golf - Region Titleists Again

1985 Region 3-AAA Golf Champions (kneeling): Steve Pierce, Chad Collier, Chris Sutton. Standing: Todd Kelleher, Wade Latham, Craig Leachman.

Of all the region titles won by MDS teams, the golf team's accomplishments may be the least-noticed, but they are noteworthy nonetheless. Our golfers have dominated the region for the last three seasons and have fared well on the state level as well.

Our golf team is talented and experienced. Hopes are high for the current season and for the future.

Cheerleaders - "It's Great

1985-86 MDS Cheerleading Squad (bottom row): Sally McAfee, Terena Jolley, Tina Evans. Middle row: Nichelle Singleton, Monica Myhand, Wendy Evans, Kristy Martin. Top row: Sean Regan, Barbara Smith, Lassie McDowell, Pepe Shiflett, Robert Sanders.

#1

the last word

We are a competitive people; we strive to be #1.

You, as high school students, have learned the valuable lesson that life is full of challenges; that in order to succeed, those challenges must be met. They must be confronted without fear, that we might learn from the experience.

Not all challenges are successfully mastered. A pessimist might believe that most challenges are beyond the ability of most people. The truth, perhaps, is that whatever a challenge might entail, it will be most successfully met through the qualities of faith and perseverance.

How does a student earn a Valedictorian's medal? How does a high school freshman master that first difficult algebra test? How are tennis championships won, yearbooks published and term papers written? All these things are done by individuals striving, working, dedicating themselves to the completion of tasks, to the meeting of challenges. And on these seemingly unconnected accomplishments is built the lifelong habit of perseverance which makes for "tested virtue."

And what does perseverance build? It builds a sense of confidence, the knowledge within the individual that difficult things can be done, that what looks to be an impossible challenge can be met, that a lifetime of "tomorrows" can be made meaningful by the accumulation of meaningful "todays", that today can be conquered, *if only we believe*.

St. Paul knew the value of perseverance and endurance and faith:

"For I am certain that neither death nor life, neither angels nor principalities, neither the present nor the future, nor powers, neither height nor depth nor any other creature will be able to separate us from the love of God that comes to us in Christ Jesus, our Lord."
(Romans 8:38-39)

Amen.

Since early 1984, the gym in McAuley Hall has been almost completely renovated; a new floor, a gleaming new coat of paint, a fine set of theatrical curtains on the stage. All of this work has been supervised by **Chris R. Sheridan & Co.**, which has so faithfully maintained and improved the MDS campus over the years.

This kind of quality workmanship and attention to detail has always been our hallmark. Remember us when you seek the finest in materials and workmanship. **Chris R. Sheridan & Co.**
